NAME NEW COACH DEC. 15

Football players honored

Two members of the Antioch High School football team have been named to the 57-player, 1977 All-Lake County team, selected by the Waukegan News-Sun.

They are seniors Rick Motley, a 165-pound guard, and Tim Huebner, 195-pound end.

Coach Roy Nelson said:

"Motley played mostly on offense and did a good job. He wasn't the biggest kid, but he wasn't afraid to put his nose in there." He is 5-foot-7.

"Tim Huebner was one of our better players offensively, because he is tall and

WHEN ANTIOCH'S Chamber of Commerce brought Santa Claus to White's Ice Cream Parlor last Saturday (via fire truck) his little friends flocked around him. Three is a great age for beginning to realize what

Santa is all about, so Michelle Kinas (in photo at left) was thoroughly thrilled. Santa's helper, Julie Fritz (left), had candy for the kids while Rod and Karen White's children served cookies and hot chocolate.

Security guard, friend are charged with theft

Police and detective work that would make a good Columbo television script led to the arrest of a 19-year-old security guard at Quaker Industries last week.

Charged with theft is John C. Vollers II who is awaiting a hearing at the Lake County courthouse in Waukegan next Tuesday.

Also under arrest is Terry Lee Browning, 19, a friend of Vollers. They both live in rural Antioch.

THE THEFT OF \$353 and two stopwatches, police said,

began to unravel when a citizen found two strongboxes in a field in Millburn.

The boxes contained pennies and cancelled checks from Quaker Industries in Antioch. Officer Stan Revell and a Lake County sheriff's deputy took the boxes to Quaker, where officers of the firm said there had been no forceable entry.

885 Club helps fire department's scuba divers

The Antioch Fire Department's underwater recovery team needs a new boat, and coming to the rescue last week was the community's 885 Civic Club.

Norm Rockow, president of the club, presented a check for \$1,000 to Fire Chief Tod Maplethorpe.

"The underwater recovery team is one of the services the fire department provides," Maplethorpe said. "They have an inadequate boat ... it's old, too small and it leaks. It has some patches that aren't too seaworthy."

The fire chief said a new boat and trailer will cost about \$2,800.

BILL ECKERT IS THE divemaster of the recovery team, which also includes Dennis Volling, Bernie Gutowski, Frank Kuchenmeister, Ray Gallaher, Jim Ploughman, Bob Cunningham and Gene Simbrowsky.

"We have our own van equipped with wet suits and scuba tanks," Eckert said. Inside the van is a portable air bank which enables the divers to fill their tanks on the scene of a recovery.

Their main job is to recover the bodies of drowning victims in the Chain o' Lakes but, since they work under a mutual aid agreement, they help other divers throughout Lake County and, if called, in Kenosha County.

It's a year-around volunteer service.

Eckert recalls a drowning in Channel Lake when a snowmobile went through the ice. The Antioch team found the body.

"EVEN THOUGH YOU'RE wearing a wetsuit, it's cold down there in the winter," Eckert said.

One thing the underwater recovery team knows first-hand is how dirty the Chain o' Lakes is.

"You can't see anything when you're down there," Eckert said. "It's just like diving into pitch-black. This tells us it would help if those lakes were cleaned up."

ANTIOCH FIRE CHIEF Tod Maplethorpe (right) accepts a check for \$1,000 from Norm Rockow, president of the Antioch 885 Civic Club. The donation will be used to help buy a new boat needed by the fire department's underwater recovery team.

CANDY Facts & Figures

Every year, candy makers in the United States use 185 million pounds of nuts and peanuts, 325 million pounds of cocoa and chocolate products—and 1.4 billion pounds of sugar.

Too much candy may not make a good diet—but neither does too much milk, cheese, meat, vegetables or fruit. Taken in moderation, candy is a good source of energy.

The first chocolate factory opened in America in 1765. Today, the average American eats six ounces of chocolate every week—about eleven and a quarter pounds a year.

Ronald Reagan Speaks Out On Child Criminals

One wonders at times what the ancient Romans talked about in those twilight days of their great empire. Were there some who had greater foresight than the majority — individuals who actually predicted the downfall, who sensed that the greatness was gone? If so, what did they advance as examples to prove their point?

They could have pointed to the "mob" — Rome's name for those permanently on the dole who demanded more and more of a share from those who worked. Then, too, there was the lack of patriotism; thus the need to fill Rome's legions with foreign mercenaries. Or did they ever criticize the bloodthirsty circuses in the Coliseum and worry about the growing taste for sadism among the people?

Are the violence in our entertainment and the increasing number of free-for-alls in our athletic contests a cause or a symptom? A few months ago, a national magazine did a shocking piece about youthful criminals in America. The shock wasn't in the statistics, although they were bad enough (more than half of all serious crime is committed by youngsters age 10 to 17), but in the savage cruelty displayed by mere children.

The article told of a 16-year-old who lured a motorist into an alley and shot him six times. The boy is back on the street, free because witnesses failed to appear for the trial. Then there was the 17-year-old whose first of 22 arrests occurred when he was 11. Only four days after he was charged with attempted murder, he raped and murdered a young nurse.

A 15-year-old tied up an 11-year-old neighbor, castrated him, stabbed him and cut off his head. He has admitted doing the same thing to the victim's 12-year-old brother, only his body has never been found. Because the killer was a juvenile, he was released from prison when he became 18.

'What's To Worry?'

A teenager in New York explained in a radio interview how he started to rob elderly women at age 12. He

RONALD REAGAN

said, "What's to worry? If you're doing wrong, do it while you are young because you don't do that much time."

Another 15-year-old raped a housewife at knife point even while the police were surrounding the house. When they caught him he taunted them, "What are you going to do, send me to youth hall? I'll be out in a few hours."

Probably the record (at least so far) belongs to the six-year-old boy who siphoned gas out of a car (that in itself is pretty advanced for a six-year-old), then poured it over a sleeping neighbor, struck a match and watched him burn to death.

Apparently, there is equality among the sexes where sadistic crimes are concerned. In Chicago, the police rounded up a gang of girls, ages 14 to 17, whose hobby was beating up elderly people. Their latest victim is a 68-year-old man brutally beaten for no reason except the girls' seeming indignance toward their victims.

I could go on listing cases by the hundreds, but there is a sameness to them — cruelty, senselessness, utter lack of remorse and, yes, a lack of punishment.

Will our lawmakers and our courts wake up? An aroused public can make it possible.

Ronald Reagan

Fine Trade

A couple of old friends ran into each other on a city street and began discussing the cute little dog one gent was taking for a walk. "Oh, what a cute little pup," commented the first. "I got it for my wife," beamed the other. "How'd you ever manage a fine trade like that?" was the incredulous reply.

Deal

The youngster fidgeted and turned with imploring eyes towards his father. "Why can't I go out to the park and play around and run in the sun like all the other boys?" Dad stopped his fist on the table and shouted, "Shut up and deal!"

What is a fireman?

By JERRY PFARR

Two Antioch volunteer firemen and their wives, Bernie and Shirley Gutowski, and Frank and Lucille Kuchenmeister, attended the 87th annual conference of the Illinois Firemen's Association in Peoria.

Shirley gave us a program from a memorial service held during the conference and it included some thoughts on "What is a fireman?"

"He's the guy next door ... yet he stands taller than most of us ... he puts it all on the line when the bell rings ... he's a man who savors life because he has seen too much of the awesome power of violent forces out of control. He's a man responsive to a child's laughter because his arms have held too many small bodies that will never laugh again."

"He's a man who appreciates the simple pleasures in life ... hot coffee held in numb, unbending fingers ... the comradery of brave men ... he doesn't wear buttons or wave flags ... he doesn't preach the brotherhood of man ...

"He lives it."

SHIRLEY ALSO BROUGHT back from Peoria this poem titled: "A Fireman's Prayer." We thought it was worth sharing with you.

When I am called to duty, God
Wherever flames may rage,
Give me strength to save some life
Whatever be its age.
Help me embrace a little child
Before it is too late
Or save an older person from
The horror of that fate.
Enable me to be alert and hear the weakest shout
And quickly and efficiently
To put the fire out.
I want to fill my calling and
To give the best in me,
To guard my every neighbor and
Protect his property.
And if according to my fate
I am to lose my life,
Please bless with your protecting hand
My children and my wife.

At the end of the day, a bank officer was closing the door behind him when he noticed a customer outside with bundles in his arms and a perplexed look on his face, staring at the night depository. The officer approached him and asked if he could help him.

The man replied excitedly: "My wife will shoot me!"

"What happened?"

"I dropped the wrong package down the chute."

"What was in it?"

"Pork chops."

Letter

To the Editor:

Okay! So we need a new safety building in Antioch. You and the fire chief and the mayor and a lot of others say it's needed but what happens to the old fire station and rescue squad buildings?

Why not use the old buildings for the rescue squad? All I have heard is new building but nothing about the old ones.

Sincerely yours,
Arthur Doty

50 YEARS AGO: DECEMBER 1, 1928

But for the prompt courageous action of his wife, who heard his cries and came to his rescue as he was being trampled upon by a vicious bull which had escaped from his control, W.E. Sheehan of Loon Lake would have been trampled to death in the stable of his farm recently.

Hearing her husband's cries Mrs. Sheehan rushed to the scene. When she saw what was occurring she seized a pitchfork and with it as a weapon prevented the animal from trampling her husband to death. Single handed she was successful in getting the enraged animal under control and fastening him to his stall.

The subscription price of the Antioch News will be increased from \$1.50 to \$2.00 per year January 1st, 1928.

The senior Class Play, a delightful comedy in three acts entitled "A Full House," will be produced at the High School Auditorium, on Friday, December 9, at eight o'clock. The children's performance will be on Thursday night, when the price of admission will be ten cents.

20 YEARS AGO: NOVEMBER 28, 1957

Outstanding high school science students and their instructors were invited to attend an open house at the University of Chicago, last Saturday.

Antioch High School Chemistry and Physics students who attended were Robert Gable, Jim Berke, Alan Moorman, Robert White and Brian Cain. The boys were accompanied by their instructors, Elroy Robinson and Elmo Edwards.

Two more executions were issued last evening by Justice of the Peace Herbert Litchfield and will be used to levy on automobiles for failure of the owner to pay their personal property tax.

Anton Klostaris of Beach Grove road, who threw the legal paper back at Constable Peter Matteoni and locked the doors of his house and garage against him and the deputy sheriff's, walked to town the next day (Friday) and paid the tax and court costs.

Antioch Theatre presents Cecil B. DeMille's "The Ten Commandments," starring Charlton Heston, Yul Brynner, Anne Baxter, Edward G. Robinson, Yvonne DeCarlo, Debra Paget and John Derek.

10 YEARS AGO: NOVEMBER 30, 1967

Dedication of the new St. Stephen Lutheran Church, Hillside Ave. at Rte. 59 on Sunday, Dec. 3, will come just short of three years from the time of the first church service on Dec. 6, 1964.

The Village of Antioch was presented with an award for patriotic activities by the U.S. Air Force at Tuesday night's meeting of the Village Board. Mayor Raymond Tofl accepted the award.

The Antioch village board again failed to reach agreement on the issuance of a Class G. (beer license) for the Payless Grocery Store scheduled to open soon on Lake St.

Charles Cermak, as agent for William Keulman, the owner, offered to sell the large building used as a Roller Rink, on Broadway to the village for \$65,000.

Mrs. Earl J. (Elsie) Hays, well-known in Antioch for many years, was the subject of a recent "Front Views & Profiles" article by Kay Loring in the Chicago Tribune. The occasion for the article was Elsie's memories of her first-hand experiences in the Iroquois Theatre in Chicago.

Elsie says she was 14 years old at that time (1903). She saw the fire start when a spark flew from a carbon light and ignited a piece of scenery. She rushed downstairs to tell her aunt there was a fire.

An actress in the dressing room heard Elsie tell about the fire on stage, and called the others to leave. They were taken to a store next door to the theatre and from there saw bodies being carried from the fire. The fire took 602 lives.

III. 4-H'ers Win State Sectional Awards

Hevrdejs

Miss Walter

Miss Slater

Miss Vyduna

Miss Gould

Five Illinois youths have been named state or sectional winners for their 1977 4-H projects by the Cooperative Extension Service. They are Lisa Jeanne Gould, 18, and Donna Lee Walter, 18, both of DuPage County; Jean Marie Slater, 17, and Joy Diane Vyduna, 19, both of McHenry County, and Thomas Edward Hevrdejs, 18, of Lake County.

The five are among some 30 Illinois 4-H'ers named state winners this year.

Hevrdejs is state winner in the wood science program, and will receive an expense-paid trip to Congress courtesy of Weyerhaeuser Company Foundation.

Seven years ago when Hevrdejs started his wood science project, he made some 4-H bookends. Since that time, he has made a wine cabinet for less than \$40 and a seven-foot grandfather clock with \$65 worth of wood at a savings of \$1,200. The high school senior is the son of Mr. and Mrs. Edward T. Hevrdejs of Antioch.

Miss Walter is state winner in the automotive program and has won an expense-paid trip to the 56th

National 4-H Congress in Chicago Nov. 27-Dec. 1 courtesy of The Firestone Tire & Rubber Company.

A college freshman, Miss Walter chose her automotive project in an effort to keep her car in good condition and has learned through her 4-H work how to make minor repairs. This year she managed the automotive contest in her county. She is the daughter of Judge and Mrs. D. G. Walter of Winfield.

Miss Slater is state winner in the sheep program, and will receive a \$50 U.S. Savings Bond from Wilson Foods Corporation.

A college freshman, Miss Slater says through her work in 4-H, "I have contributed to the cause of furthering the sheep business in my county in my own small way." She has exhibited her sheep at four county fairs and says she has profited over expenses at every one. The 10-year 4-H'er is the daughter of Mr. and Mrs. Colin Slater of Cary.

Miss Vyduna is state winner in the health program, and will be the guest of Eli Lilly and Company at Congress.

A college sophomore, Miss Vyduna says one of her main goals in the health project

was to inform people of the effects of smoking on the human body. By assembling a mechanical smoker, she was able to demonstrate how tars and nicotine are deposited in a smoker's lungs after one cigarette. She is the daughter of Mr. and Mrs. Calvin Vyduna of McHenry.

Miss Gould won both state and sectional honors in the 4-H gardening program, and will receive an expense-paid trip to the 56th National 4-H Congress in Chicago Nov. 27-Dec. 1. Her trip to Chicago is sponsored by Ortho Division, Chevron Chemical Company.

A college freshman, Miss Gould says, "Through 4-H I have tried living, and like it. 4-H has taught me the value of life, both in animals and plants." Someday the nine-year 4-H'er hopes to develop a strain of corn plants which will be high in polyunsaturates, which she theorizes will lengthen the growing season and yield a larger harvest. She is the daughter of Mr. and Mrs. Willard Gould of West Chicago.

The awards program is arranged by National 4-H Council.

Jeffrey Henning has a baby brother!

Jeffrey, who is 4 1/2, was delighted when Mom and Dad brought Timothy John home from St. Therese hospital. Mom and Dad, of course, are Wally and Ginny Henning. And Timothy was born the day before Thanksgiving, Nov. 23, which just happens to be Ginny's birthday.

The proud grandparents are Police Chief Jack Wells and his wife, Kathryn, and Mr. and Mrs. Walter T. Henning Sr., formerly of Antioch and now living in Florida.

Congratulations to all of you.

GUESS WHO will be 159 years old on Saturday? The state of Illinois. Happy birthday, big guy.

WOW! ART HAWKINS will be very busy Dec. 13. He will have 80 candles to blow out. Best wishes, Art.

Oops, we forgot to wish Denny Horton a happy birthday on the 25th. Carol Badame is celebrating today and Kirk Price's big day is Saturday. Best wishes, everyone!

RICHARD T. SCHEIFE, the son-in-law of Maggie and Harry Lenny of Thompson's Restaurant, has been named an assistant clinical professor of neurology on the faculty of Tufts University School of Medicine in Boston, Mass.

Maggie and Harry's daughter, Andrea Scheife, has a masters degree in pharmacy and is a clinical instructor of pharmacy at Northeastern University in Boston.

Richard, a native of the Milwaukee area, now has been named to the scientific staff of the New England Medical Center Hospital's department of pharmacy since 1974.

Richard and Andrea live in West Roxbury, Mass., and are regularly in touch with Maggie and Harry by telephone. They are two young people the Lennys can be very proud of.

MRS. HOWARD MORGAN has returned from two weeks in El Salvador in Central America. Her daughter, Sharron, is a Peace Corps volunteer in that country, offering technical advice in guidance and business administration for agricultural cooperatives.

Sharron's secondary projects include health, community development and education.

Mrs. Morgan and Sharron spent four nights and three days in Guatemala, a neighboring country, visiting ancient ruins and shopping in Indian villages.

Sharron joined the Peace Corps after graduating from college.

El Salvador has a tropical climate but the temperature was pleasant, about 85, while Mrs. Morgan was there. Coming back to Antioch and this week's snow was quite a change.

Small treasures to be stuffed into stockings

"Stockings hung by the chimney with care" is a Christmas tradition the whole family enjoys.

This year, in addition to the usual small treasures and candies, stuff your family's stockings with some entertaining and useful booklets. Texize Chemicals Company offers three different booklets free on a write-in basis; at least one is sure to be right for someone in your household.

"Do-it-yourself" youngsters and adults alike will enjoy "Crafty Critters" a booklet full of clever ideas and directions for making a variety of toys and crafts from the empty plastic bottles in which different household cleaners are packaged.

These projects make great after-school or rainy day diversions for youngsters, and the crafts are suitable for gift-giving as well as for year-round use.

Homemakers will enjoy

the "Creative Homemaking" booklet which offers a variety of helpful household hints ranging from time- and money-saving tips to suitcase-packing advice to decorating ideas.

Specific subjects include pots and pans, gardening equipment, laundry, children's clothing, and closets.

An invaluable guide to both moms and dads is the "K2r Stain Dial." It's an easy-to-use guide which provides the right information for removing 56 different types of spots and stains from dry-cleanable fabrics. By following the stain dial tips, it's even possible to cut down on expensive dry-cleaning bills.

To receive your free copies of any or all of these stocking stuffer booklets, write to: Consumer Relations Dept., Box N; Texize Chemicals Company; P.O. Box 368; Greenville, SC 29602.

Grass Lake PTO plans bazaar, pancake breakfast

By CAROLE MATTSON

When making out your list this year for the holidays, be sure to include Sunday, Dec. 11, at Grass Lake School.

The P.T.O. is having a pancake breakfast and bazaar with Santa from 9 a.m. till 1 p.m. in the school cafeteria.

Donation is \$1.50 per person, \$1 for senior citizens, and children under 5 years are free.

The menu includes sausage, all the pancakes you can eat, orange juice, coffee, milk, and hot chocolate.

Santa will be there to visit with you and have treats for all good boys and girls. His elves will serve you your breakfast.

Pictures will be available for 75¢ or you are welcome to bring your own camera.

Area merchants, in keeping with the holiday spirit, have generously donated many prizes. For the bazaar, the people of the Grass Lake community have been hard at work preparing for your holiday shopping needs.

Items include hand-painted plaques and gifts, dough art ornaments and decorations, various Christmas wreaths, crocheted and macrame articles, plants, stuffed toys for the little ones, ceramics, and various holiday cakes, breads, cookies and candies.

A contest will be held for a savings bond, a large stuffed dog, a gingerbread house, and a ceramic Christmas tree.

This annual event has always been well-attended so plan on being there early for the best selection. Grass lake school is located two miles west of Rt. 59 on Grass Lake Rd.

Santa will be watching for you.

IN THE SAVINGS & LOAN PLAZA

- Woman's Club prepares for Christmas party

By FLORENCE PEDERSEN

The Antioch Woman's Club will hold its annual Christmas party and pot-luck luncheon at 12 noon on Monday, Dec. 5, at the First Bank of Antioch. The event is for members only and there will be a gift exchange.

The King Tut photo tour on the program at the Nov. 21 meeting was very interesting and enjoyable.

Members on the hostess committee were Trudy Anderson, Lucile Hojem, Joyce Woods, Mildred Walther, Pat Lorenz Jr., Marge Solar, Helen Nelson and Nancy Zilkus. The ladies served delicious pumpkin pies, cake and cookies.

Trimming tips offered by expert

Did you know that there are five different ways to trim a Christmas tree? And whether intended or not, chances are your family's tree falls into one of these themes.

To help make this year's tree-trimming project extra special, here's a selection of tree trimming ideas from the just-published booklet, "The Tree Trimmer's Text," by Lillian Vernon, an expert by virtue of her many years in the business and president of the company that bears her name.

The most frequently created look of them all, the traditional look, starts with the traditional tree, often the Douglas fir, which stays moist longer indoors, is thick and symmetrical, and has branches which are ideal for hanging a variety of ornaments.

These ornaments are typically those which a family has collected over the years, and may include paper roses, angels, bells and garlands of popcorn or cranberries, often homemade. Tiny peppermint canes and fruit-shaped marzipan are guaranteed to leave your traditional tree as bare as it was when it first came indoors!

Another popular Christmas tradition, the international look, traces its origins back through more than three centuries to many historical traditions which hold fast, even today.

The Mexican variation of this look centers on handmade pinatas (pin-YA-tas) fashioned from bits of colorful foil, tissue paper and paper streamers.

Each pinata is filled with hard candies, dried fruit and little gifts which are then hidden on the tree to be discovered by the youngsters.

In Vienna, Austria, Christmas trees are laden with "edible" ornaments and decorations. One such edible Austrian food, Krampus, is a mixture of dried,

dark-colored fruits in the shape of a black devil.

Legend has it that the Krampus "checks" up on all the children on St. Nicholas's Day, December 6. As the first night of Christmas approaches, Austrian families begin the tasty tradition of "eating" the Christmas tree.

American families can fashion their own version of a Krampus by stringing several pieces of dried fruit—prunes, apricots, etc.—together in the form of animals.

For a tree that softly blends in with the decor and style of your home—and is distinctly your family's own tree—the personal look is perhaps your tree-trimming choice.

Snapshots of friends, vacations or new arrivals displayed through miniature gilded frames—available at your local five and dime store—tell a colorful, four-season story.

Family highlights of the past year can be recalled by adding such memorabilia as greeting cards, souvenirs, even pieces of smart jewelry.

The personal look may also include Lillikins twinkling tree ornaments from Lillian Vernon. These personally engraved brass ornaments are tarnish-free, unbreakable, and are available in more than a dozen nostalgic Christmas scenes to provide a warm glow to the tree.

Designed for all family members (cat and dog included!) Lillikins tell a personal Christmas story, year after year.

To learn more about other Christmas tree "looks" and more innovative and helpful tips on tree decorations, send for a free copy of "The Tree-Trimmer's Text," from Lillian Vernon. Send a stamped, self-addressed envelope to "Tree Trimmers," Dept. MS, Lillian Vernon Corp., 510 South Fulton Ave., Mount Vernon, N.Y. 10550.

"If you can't say no, you can't expect to live within your income."

THE OLDE ATTIC at 775 Main St., above White's Ice Cream Parlor, brings back fond memories in its large selection of Christmas gifts and decorations. Donna Gutowski,

holding Raggedy Ann, poses with the "attic's" owners, Cathy Haley (left) and Gail Fields.

Chicago, which provides guards for Quaker, then planted money in one of the offices. The money was powdered with a chemical which, if touched, turns a person's hands a purplish color when he washes them.

ANOTHER SECURITY GUARD touched the money, noticed the reaction to the hands, and called Antioch police.

Sgt. Tom Fisher of the police department, who spent about 40 hours on the investigation last week, questioned the guard who wasn't guilty of the theft — and that led to the arrest of Vollers when he reported for work on Thanksgiving Day.

When he confessed, police said, Vollers said his friend, Browning, who doesn't work at Quaker, was with him when the theft was made.

Browning turned himself in Saturday, police said, and it was learned he was wanted for burglary in Kentucky. He might be returned there as a fugitive.

POLICE SAID VOLLERS also returned some shelves he admitted taking from the plant about a month ago.

"They were very cooperative once we questioned them," Fisher said. "We learned that although Vollers worked the previous weekend shift he hadn't punched his clock as he was supposed to do when he made his rounds."

"Burns Security did a good job assisting us," Fisher said. "They wanted to get rid of a bad apple if they had one in their organization. It was one of the most thorough investigations we've handled in a long time."

Police said Vollers and Browning admitted wiping off their fingerprints in two offices as they searched for money.

THE TOWN CRIER

Remember when Jack Pardee was in Antioch last April, speaking at the Moose Lodge?

"We can do better next season," he predicted of his Chicago Bears. "Out of 28 teams in pro football we were the second youngest last year. Tampa, the youngest, didn't win a game."

The Bears had a 7-7 record last season and Pardee said:

"We could have been 9-5. Our real inefficiency was that we averaged only 63 offensive plays a game while our opponents averaged 70. We have to turn that around. Those seven extra plays mean two first downs a game and that translates into two more points for us and two less for the other team."

THIS YEAR, ALAS and alack, it appears the Bears might finish with a 9-5 record. They are 6-5 now and the way they are playing, unless they goof up, they should win their remaining three games.

"Walter Payton, Roland Harper and the others are going to improve," Pardee predicted here last April. The coach also defended Bob Avellini, the quarterback.

"He's a great young man," Pardee told Antioch fans. "We'll just work harder to help Bob improve."

How are they doing?

RECEIVING \$100 IN GIFT certificates from the Chamber of Commerce Shopping Spree was Walter Allen of Route 3, Antioch, whose wife, Lillian, won second prize.

Walter posed at White's Ice Cream Parlor Saturday with Santa Claus and the executive director of the Chamber, Nancy Kinias.

Snappy family album . . .

Precious moments make lovely gifts!

Your vacation pictures are tucked away in a drawer, mixed in with other pictures and papers. Give your home a Christmas present and buy an album or show-off case for those snapshots.

Your child caught a terrific candid shot of mother during the summer. Have the picture enlarged and framed and brighten your home.

Or select a series of pictures of the whole family and frame them together in a montage.

You'll not only perk up your home, you'll perk up your family as they recall memorable and pleasant moments each time they pass the pictures during their daily routines.

A really snappy idea is to have a frame made with a turn-screw back. Make several montages of pictures and rotate them according to the season. Or several individual pictures can be rotated in a frame—a close-up of a rose in summer, a sunset in the fall, a snow scene in winter, a landscape in the spring.

Another way to give your home a Christmas present and give your child a long-lasting glow is to take pic-

tures he has drawn in school or at home on rainy days and frame them to hang on a wall in his room or the family room.

If there is real talent in your house, think big and get a piece of canvas. Let the talented member of the family paint a picture on the canvas and then glue it to the wall with the proper adhesive. The canvas can be removed at any time without harming the wall itself, and it can then be stored and kept for a Christmas present when the artist is older and has his own house to decorate.

Perhaps you have musical talent in your house. Tape record the musician and send the tape to a family member who lives in another part of the country. The whole family can join in Christmas greetings on the tape and give a truly personal touch to a far-away relative or good friend.

Perhaps mother or dad doodles while on the telephone. Collect those doodles, select the ones that are funny or pertinent, glue them to a piece of colored drawing paper and frame them!

Bathroom beauty at Christmastime

Bathrooms deserve as much attention as the rest of the house during the holiday season, especially with so many guests dropping in. Deck the mirror with holly and pine. Put a wreath on the inside of the door. Fill up pretty baskets with red and green guest soaps and invest

in some perky holiday towels. For an extra rich touch, add lovely red and green candles (pine and bayberry are good holiday scents),

then light them when the guests arrive! (Just make sure they're safely secured in sturdy candle holders.)

Or several individual pictures can be rotated in a frame—a close-up of a rose in summer, a sunset in the fall, a snow scene in winter, a landscape in the spring.

Another way to give your home a Christmas present and give your child a long-lasting glow is to take pic-

tures he has drawn in school or at home on rainy days and frame them to hang on a wall in his room or the family room.

If there is real talent in your house, think big and get a piece of canvas. Let the talented member of the family paint a picture on the canvas and then glue it to the wall with the proper adhesive. The canvas can be removed at any time without harming the wall itself, and it can then be stored and kept for a Christmas present when the artist is older and has his own house to decorate.

Perhaps you have musical talent in your house. Tape record the musician and send the tape to a family member who lives in another part of the country. The whole family can join in Christmas greetings on the tape and give a truly personal touch to a far-away relative or good friend.

Perhaps mother or dad doodles while on the telephone. Collect those doodles, select those that are funny or pertinent, glue them to a piece of colored drawing paper and frame them!

Bathroom beauty at Christmastime

Bathrooms deserve as much attention as the rest of the house during the holiday season, especially with so many guests dropping in. Deck the mirror with holly and pine. Put a wreath on the inside of the door. Fill up pretty baskets with red and green guest soaps and invest

in some perky holiday towels. For an extra rich touch, add lovely red and green candles (pine and bayberry are good holiday scents),

then light them when the guests arrive! (Just make sure they're safely secured in sturdy candle holders.)

'Many Moons' opens Friday at PM&L

James Thurber's "Many Moons" opens this Friday at the PM&L Theater, 877 Main St. in Antioch. Curtain time is 7:30 p.m.

The play is PM&L's holiday show and good family entertainment.

The original Thurber story was dramatized for the stage by Charlotte B. Chorpenning. The PM&L production is directed by Don Beveroth, whose precious work is well-known to the theater-goers of Antioch.

WITH THURBER'S INIMITABLE sensitivity, "Many Moons" imaginatively tells the story of a princess (played in the PM&L production by Donna Ruggles) who, taken ill, cannot recover until somebody brings her the moon; and the determination of her father, the king (Jim Fabry), to get it for her.

The PM&L show is staged for and by young people. Others in the cast are Lisa DeBenedetto, who portrays the part of Cynicia; Debbie Jones, the royal nurse; Art Lee, the Lord High Chamberlain; Scott Paul, the royal wizard; Lori Koenig, his wife; John Woolner, a mathematician; Dave Moffat, the jester; and Tracy Moffat, a goldsmith's daughter.

"THIS HOLIDAY SHOW should be especially appealing to families and youngsters, and a free pass for a young person is being made available to each holder of a current PM&L season ticket," Beveroth said. "Because of the special affinity of this Thurber show to the younger set, the curtain time for all performances of "Many Moons" has been advanced to 7:30 p.m., an hour earlier than the show time of other PM&L productions presented during the regular theater season."

In addition to the opening performance this Friday night, subsequent presentations of "Many Moons" are scheduled for December 3, 9 and 10.

"Be sure to call 395-3055 to reserve your time to see "Many Moons" this holiday season. Bring the children, and plan on being at the theater by 7:15 on the night you plan to see the show," Beveroth suggested.

New football coach to be named Dec. 15

Continued from page 1

we always looked for him when we passed," Nelson said.

HUEBNER WAS NAMED "most valuable player" by his teammates.

Motley was elected honorary captain

Richard Motley

and quarterback Rob Nauman was voted "most improved."

Motley and Huebner were pictured in color in the News-Sun along with 55 other outstanding players in the county.

Receiving honorable mention were Antioch's senior halfback Kenn Rosenbrook and junior quarterback Nauman.

TWO WEEKS EARLIER, Tim Huebner and his brother Tom were named to the all-conference team by the Northwest Suburban Conference coaches. Tim was selected for his play at offensive end and Tom as a defensive lineman.

Coach Roy Nelson, who was assisted by Ted DeRousse and Tom Baba, saw his Sequoits finish their season with stunning victories over Jacobs, 39-12, and Grayslake, 31-0.

That gave Antioch a 4-5 record. After the season Coach Nelson resigned as varsity coach after 16 season years at the

helm. The school board asked him to remain in the football program at another spot.

THE NEW VARSITY COACH probably will be named at the Thursday, Dec. 10, board of education meeting, according to Athletic Director Ward Lear.

"We are interviewing now and will make a recommendation to the board," Lear said. "We expect a final okay on Dec. 15."

It probably will be one of the coaches now in the Antioch High School system, Lear said.

FINAL STATISTICS on the 1977 season show that Tim Huebner and junior halfback Gene Lehn led the team in scoring with 18 points each, on three touchdowns apiece.

Antioch was outrushed by its nine opponents at an average of 138 yards a game to 101. But the Sequoits, thanks to the newly-discovered passing talent of quarterback Nauman, beat their rivals in the air by gaining an average 92 yards a game to the rivals' 73.

Nauman completed 34 of 95 passes for 529 yards after taking over in the second game. First-string quarterback Brian Andrews suffered a shoulder injury in the opener and was lost for the season.

Tim Dixon, a senior, was Nauman's backup in the quarterback slot and contributed 153 yards by passing. Andrews had tossed for 79 in the first game.

TIM HUEBNER and Scott Schroeder were the leading pass receivers, Huebner catching 19 for 355 yards while Schroeder caught 15 for 272 yards.

Lehn, who will be back next year along with Nauman, led the ball-carriers with 414 yards in 100 carries. Rosenbrook charged for 291 yards in 75 carries.

In the last two games Lehn gained 93 and 96 yards respectively.

On defense, Greg Bodin led the team in tackles, hauling down 95 enemy ball carriers. Tom Huebner was in on 49 tackles.

Sequoits open at home Friday

Dubek scores 39 in first victory

Basketball fans will flock to the Antioch high School gymnasium Friday to watch the Sequoits play their first home game, and first conference game, of the season.

After a 6:45 p.m. sophomore clash, the varsity teams will take the floor at 8 o'clock. Warren's Blue Devils will provide the opposition for Antioch.

The Sequoits play again Friday night at Lake Forest with the two games beginning at approximately the same times.

WARREN SHOULD BE a good test for the Sequoit varsity. Coach Roger Andrews of Antioch considers Warren and Woodstock two of the favorites in the North Division of the Northwest Suburban Conference.

Antioch also is a contender for the title.

Antioch got off to an interesting start last week in the annual Barrington Thanksgiving Classic. The Sequoits lost to strong teams from Elgin Larkin and Barrington, then defeated Cary-Grove 78-75 in a double overtime thriller highlighted by the 39 points splashed through the net by Bill Dubek.

Dubek not only swished 14 field goals, but he made 11 out of 12 free throws, four of them in the second overtime.

The 6-foot-4 forward also had 16 points in Antioch's 65-52 loss to Elgin Larkin.

Barrington beat Antioch 77-58.

WARREN MEANWHILE, was winning the Mundelein Holiday tournament by beating Mundelein, Carmel and Palatine. Dave Kolar, who had games of 21 and 31 points, will be one of the Warren players to watch here Friday night.

Coach Andrews felt his Sequoits gained "great

experience" from the Barrington competition.

"The physical size and aggressive play took its toll on us in the first two games," the coach said, "but in the win over Cary-Grove our players rallied back. Bill Dubek had a hot hand, a super game. His good defense and rebounding also were big factors in our win."

"We have been looking for this kind of performance

from Bill," Andrews added. "He is very capable. I am sure this will give him and the whole team a real shot in the arm."

"THE COMPETITION WAS real tough," Andrews said after the Turkey Classic. "We played good teams with good size. This will help us very much now that we open the conference season Friday against Warren."

"In the tournament we used 10 players, gaining good game experience. I was pleased with the way the team improved with each game and the way the players handled themselves. Rebounding was poor in the first game but the Sequoits came more alive on the boards in the other two games."

AGAINST ELGIN LARKIN, Tracy Sodman and John Eder each had eight points in addition to Dubek's 16.

Against Barrington, Brian Andrews hit 14, Sodman 12, Eder 10 and Dave Gutowski 7. Sodman again led the rebounders with 12. Andrews made 8 out of 9 free throw attempts.

Dubek took 32 field goal attempts against Cary-Grove and made 14 of those shots. Eder also was sharp, hitting 17 points.

FOLLOWING IS ANTIOCH'S schedule for December. All varsity games start at 8 p.m.

Friday -- Warren here.

Saturday -- at Lake Forest.

Friday, Dec. 9 -- Round Lake here.

Friday, Dec. 16 -- at Grayslake.

Saturday, Dec. 17 -- North Chicago here.

Dec. 27-30 -- Rockford Christmas tournament.

Antioch soph cagers have 3-0 record

The Antioch sophomore basketball team started the season with a bang last weekend, scoring three straight wins to take first place in the Dundee Sophomore Thanksgiving tournament.

The championship game saw Antioch roar from behind in the final quarter to take a 58-52 decision over St. Edward's of Elgin.

The season and tournament opener took place on Friday with Antioch defeating Crown High School by a score of 56-44. The young Sequoits led all the way as their aggressive defense limited the Crown sophomores to only 31 percent field goal shooting.

Antioch exhibited a well-balanced scoring attack led by Kurt Selak with 16 points, while Denis Flaschner and Ron Nauman had 10 each. Chris Kempinski and Bill Strahan contributed 6 points apiece.

Coach Don Zeman was quite pleased with this season-opening performance.

"The keys to this game were in aggressive defense and a patient offense. Mike Anderson did a fine job of directing our attack and keeping us in our offensive pattern. We controlled the tempo of the game at both ends of the court," Zeman said.

THE SEMIFINAL GAME turned out to be a real

squeaker as Antioch defeated Jacobs 40-38.

The Antioch ball control and offensive patience of the previous day were missing on Saturday afternoon as the Sequoits could sink only 11 of 30 shots from the field.

The lead changed hands throughout the game as neither team appeared willing or able to take charge. It was not until the fourth quarter that Antioch broke out of the doldrums. An aggressive defense held Jacobs to just three field goals in 17 attempts, while the young Sequoits canned eight free throws down the stretch, four by Kempinski.

Nauman led the Antioch scorers with 12 points, while Kempinski and Anderson added 7 each.

THE CHAMPIONSHIP GAME turned out to be a first-class final as the teams matched each other basket-for-basket throughout the contest.

Antioch trailed by two at halftime and still trailed by

two as the teams entered the final stanza.

The Sequoits put it all together then as they exploded for 22 points, connecting on nine of 11 shots from the field.

Jim Sertic hit a big jumper from the baseline to give Antioch the lead for good, 54-52, with just over a minute left to play.

Selak hit for 10 fourth-quarter points, including four straight pressure free throws in the last 25 seconds to ice the victory.

"A key factor in this victory was the board work of Nauman and Flaschner, pulling down 15 and 11 rebounds respectively," Coach Zeman said.

The Antioch sophomores, now 3-0, will face Warren Friday evening in Antioch and will travel to Lake Forest on Saturday. Game time both nights is 6:30 p.m. for the sophomores.

Mark Stewart wins opening basketball contest

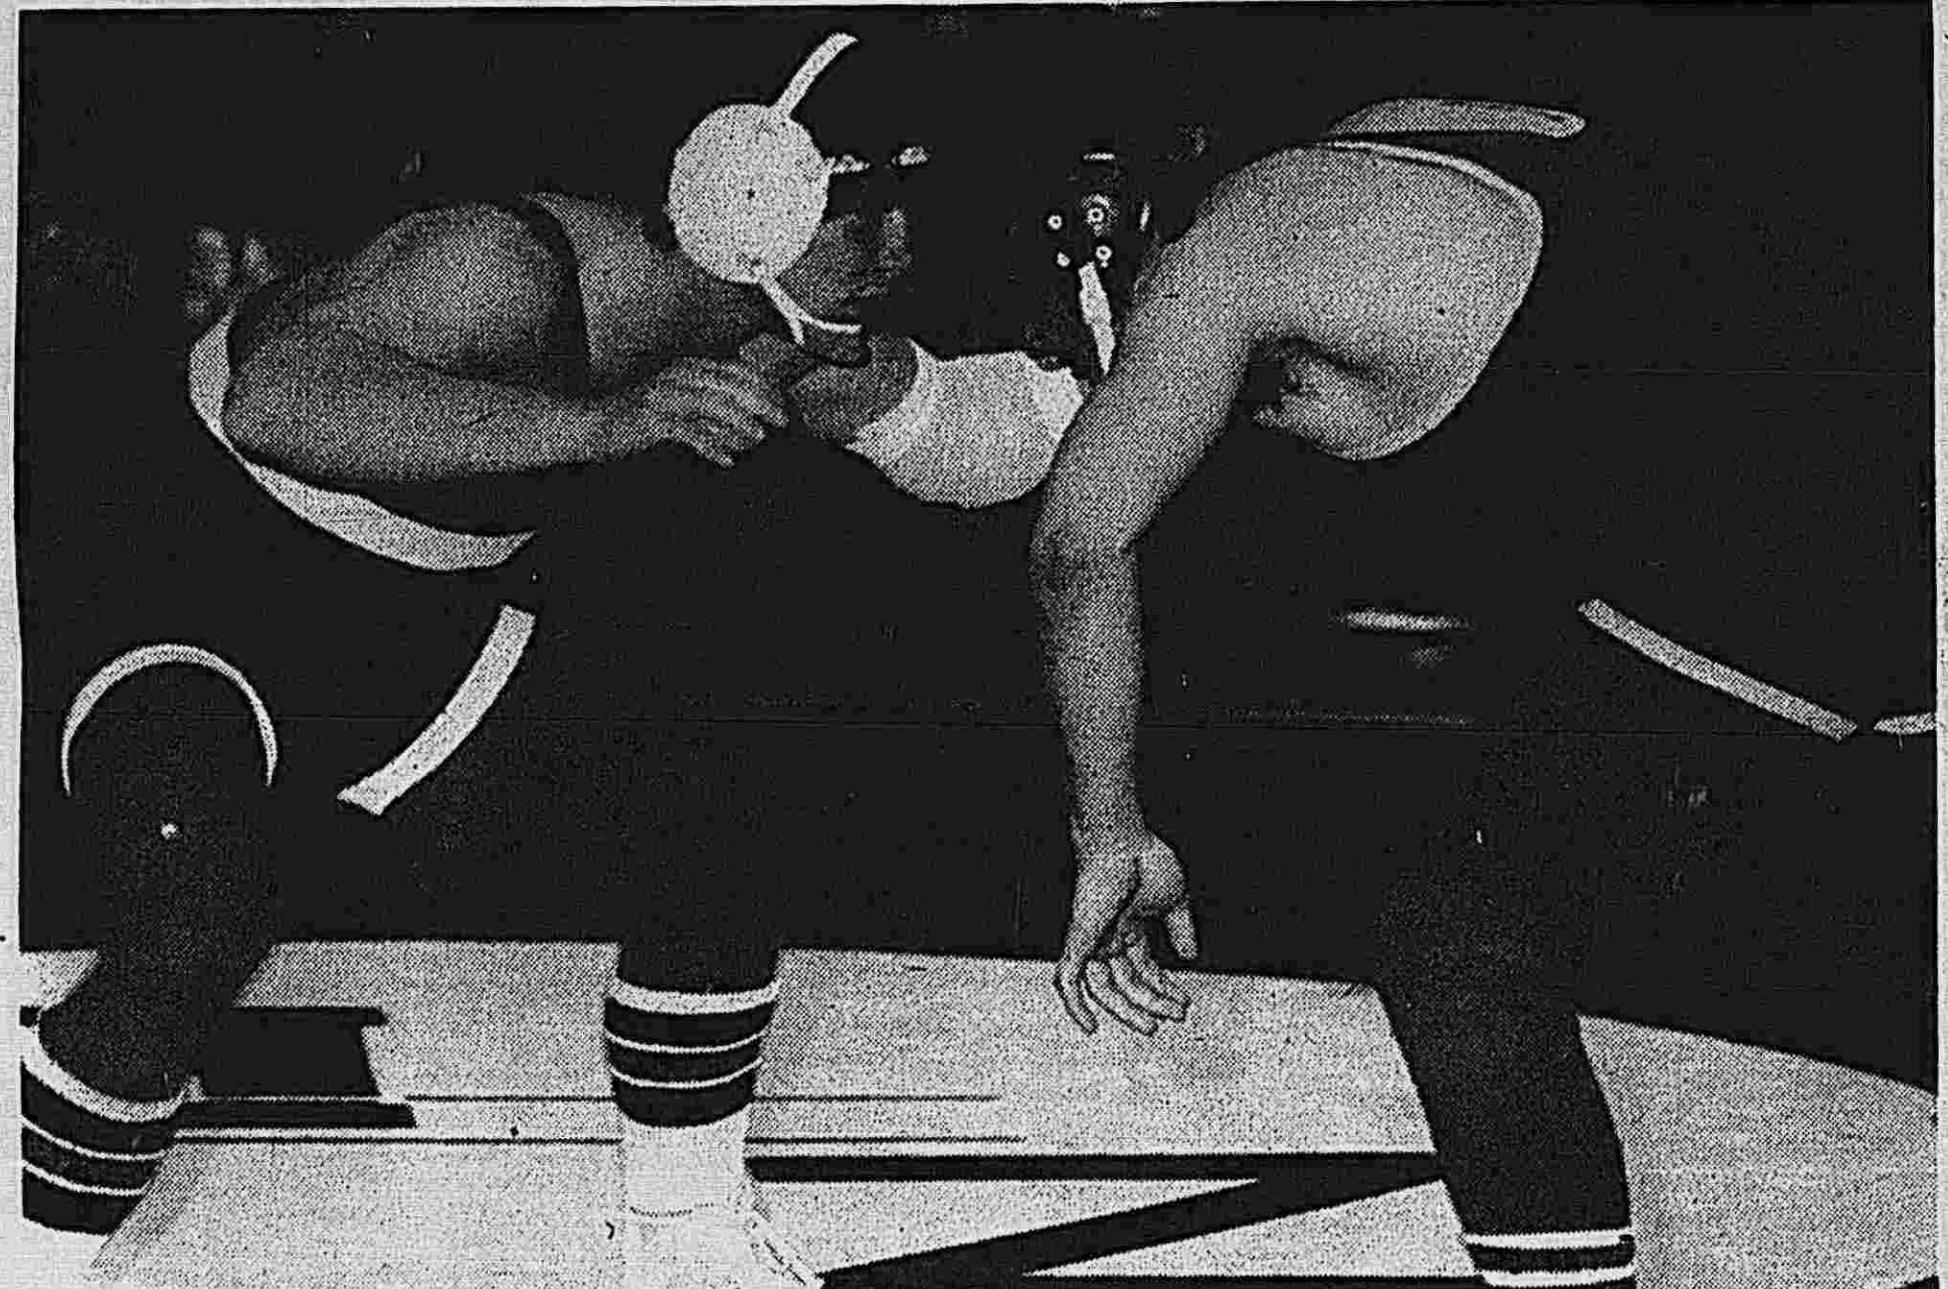

Mark Stewart won himself an early Christmas present last week ... a \$15 gift certificate from Stanley's Men's Fashions in the Orchard Plaza shopping center.

Mark was the winner in the Antioch News' first basketball contest of the season. He picked Barrington to defeat Antioch's Sequoits by 16 points and Barrington won by 19.

Runnerup in the opening contest was Kathy Soder, who forecast a 14-point victory for Barrington. She will receive a \$10 gift certificate from A&B Printing Service, just in time to buy some Christmas cards or stationery.

Winifred M. Braddock of Lake Villa won the third prize, a \$5 gift certificate from King's Rexall Pharmacy, by guessing that Barrington would triumph by 13 points.

Another contest appears in today's paper. The "game of the week" is Friday night's first home contest for the Sequoits, an 8 o'clock battle against Warren's Blue Devils. Be sure to enter by 5 p.m. Friday.

He weighs only 98 pounds but Jon Gibson was the biggest star of the opening week of Antioch High's varsity wrestling season.

Gibson won five straight matches to capture the championship in his division of the prestigious Rich South 32-team "Hercules" tournament.

Three of his victories were by pins, and Gibson also pinned his opponents in Antioch's "dual meet" victories

over Zion, 45-18, and Mundelein, 30-24. That gives him a first-week record of seven wins and no losses.

ANTIOCH PLACED NINTH in the big Rich South tournament and Coach Ted DeRousse called it "an outstanding achievement considering the youth of the lineup."

"Antioch led the tournament in the second round of

championship competition," DeRousse said, "but inexperience caught up with our young team and we came home with only two place-winners."

They were Gibson and 105-pound Mike Haviland, who had a 3-3 record as he placed fourth in the consolation bracket.

Marvin Gibson had a 3-2 record at 126 pounds and four Antioch wrestlers had 2-2 records in the tournament: Jeff Gross, Gene Lehn, Dave Aschbacher and Rich Packert.

THIS FRIDAY NIGHT the Sequoits travel to Warren for a conference dual meet.

"According to early season reports, Warren matches up well against our team and this could be an outstanding dual," said Coach DeRousse. Competition begins at 6:45 p.m. on the Warren mats.

ON SATURDAY NIGHT the Antioch wrestlers will have "Alumni Night" when they invite graduates to a 6:30 p.m. meet against Grayslake. It will be the first home appearance of the season and DeRousse said all former Antioch wrestlers are encouraged to attend and register before the meet at a special table in the gymnasium foyer.

"Call a former team member and bring him along," DeRousse said.

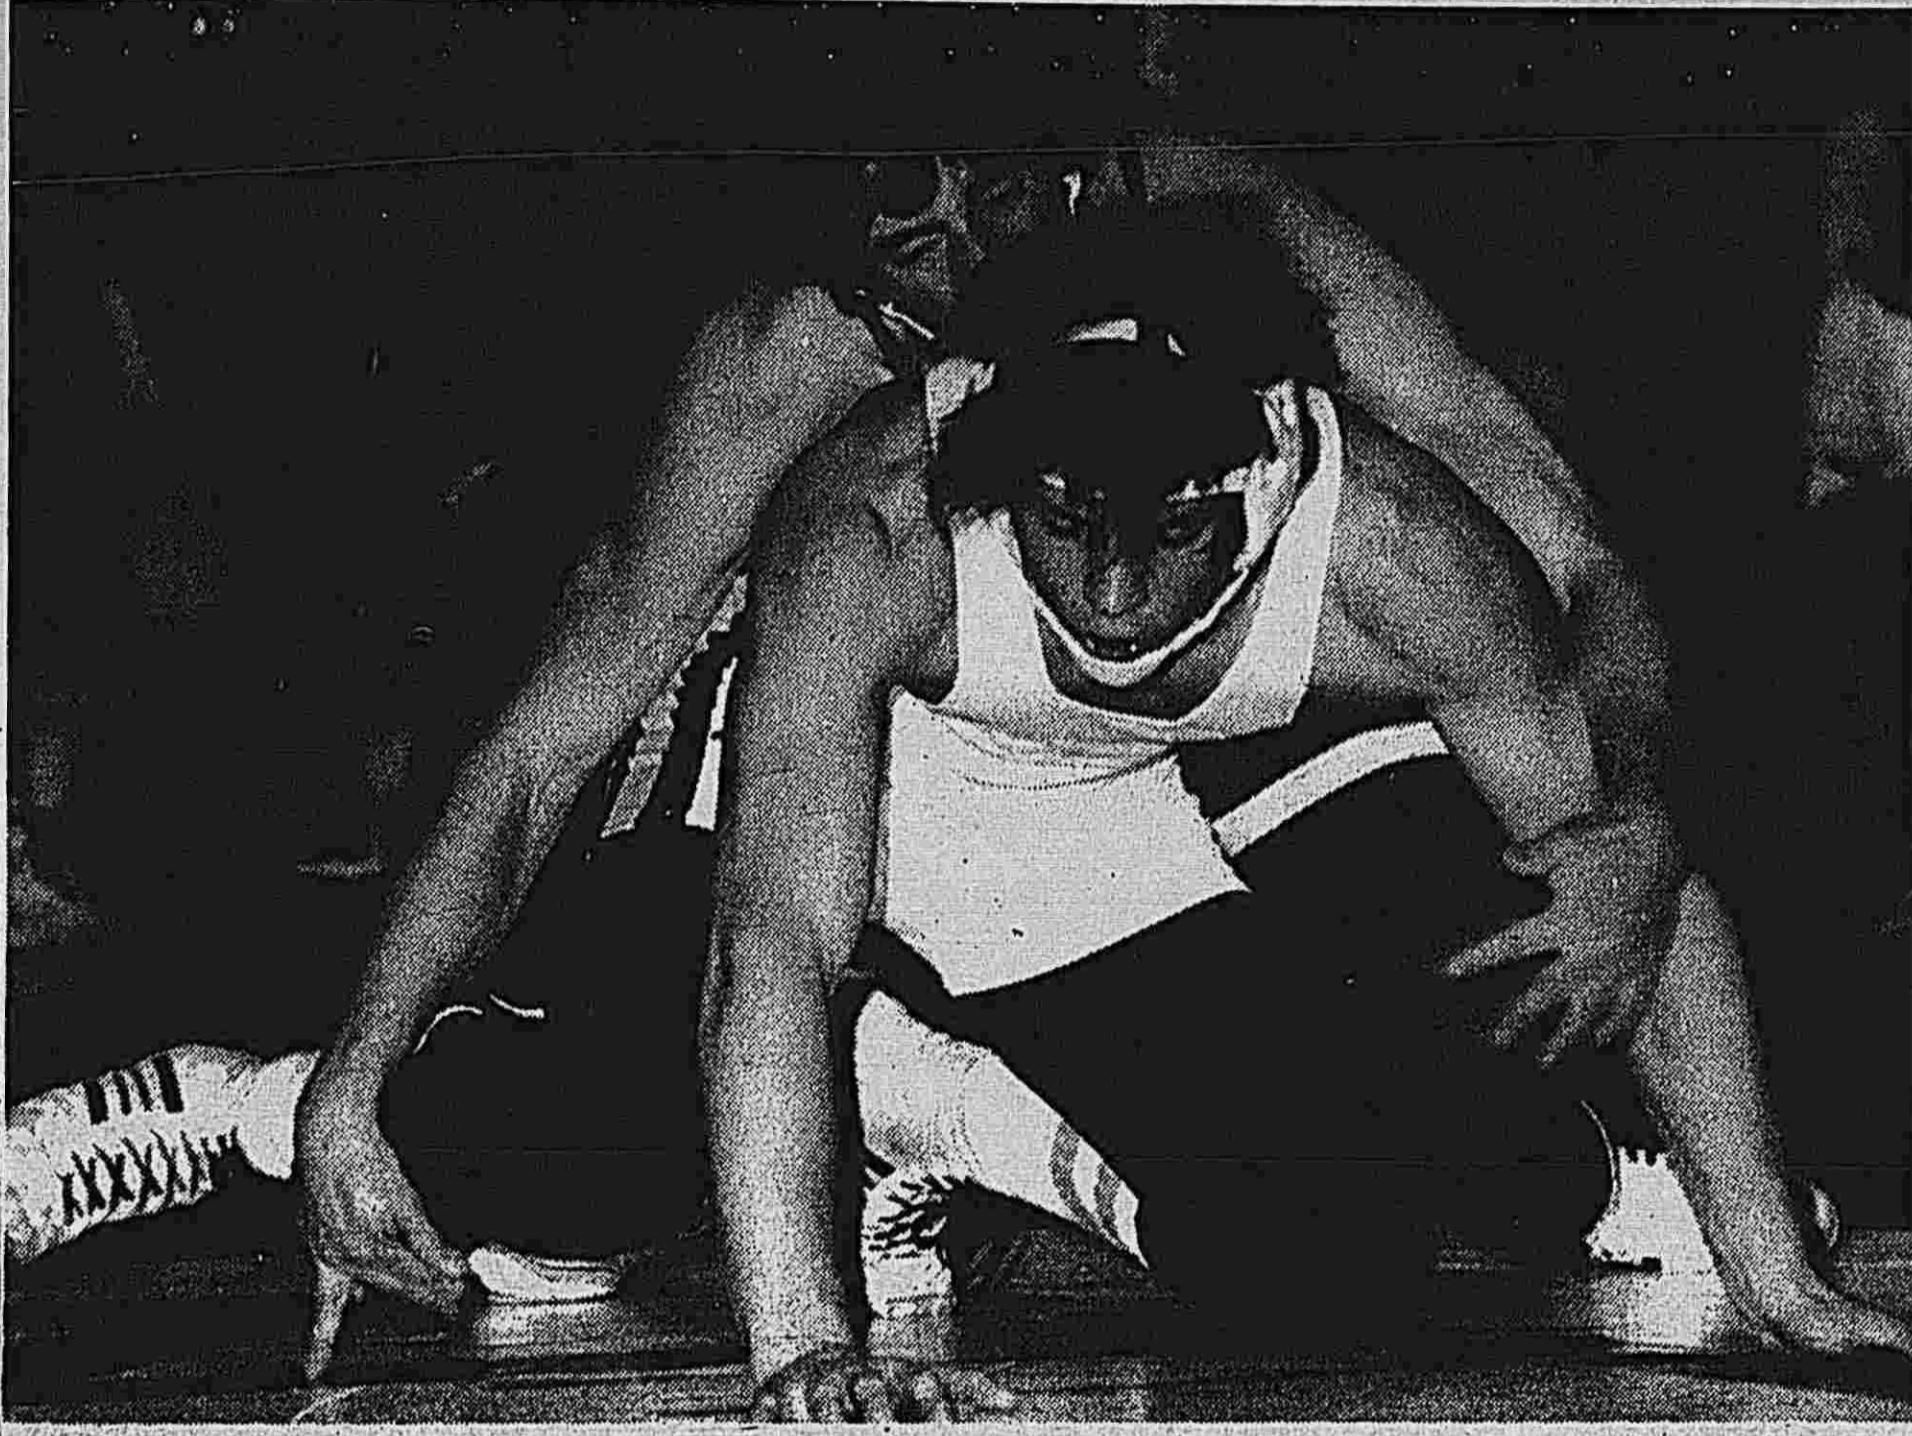

Grayslake, as usual, will bring a strong group of wrestlers to the early-season showdown. Antioch and Grayslake are two contenders for the Northwest Suburban Conference title. Freshman and junior varsity matches will start at 6:30 with the varsity bouts beginning at 8 o'clock.

IN LAST WEDNESDAY'S victories over Zion and Mundelein, Jon Gibson pinned his Zion opponent in one minute and five seconds, then erased his Mundelein foe in two minutes and 45 seconds. He was wrestling at 105 pounds.

Unrien, wrestling at 98, also scored two pins. Haviland and Jeff Gross won by pins against Zion and so did Dave Fasnacht. Then Aschbacher came through with a pin at 185 pounds.

Packert, the team's heavyweight, decisioned his Zion opponent and then won by a pin, in 50 seconds, against Whitmore Mundelein.

Antioch was in danger of losing to Mundelein until the final two matches when Aschbacher won by a pin at 185 pounds and Packert scored his stunning heavyweight victory.

GREG BODIN OF ANTIOCH is on top in this action at 167 pounds, but his Zion

opponent outscored him 10-5 to earn the decision.

All marriages are happy. It's the living together afterward that causes all the trouble.

Just when you've gotten everything in the house automated, electricity is so expensive you can't afford it.

Would it be asking too much to have a movie that could be rated "E" for entertainment?

SERVICE
FOR YOU AND YOUR
FAMILY

Distinctive

I think you will find that any Funeral Home a family selects today will provide the proper atmosphere for a meaningful Funeral Service. And because of state educational requirements, most personnel are qualified and competent. But sensitivity to the feelings of the bereaved family goes beyond atmosphere and competence. It calls for understanding, and it is in this area, I believe, that we have succeeded in serving our families in a way that makes each service distinctive and memorable.

Why Pay More Than Necessary When
You Finance Your Next Car?
It's too bad, but most people do.

The reason: banks, finance companies, and most other lenders typically calculate interest in advance when you sign up for the loan. So, you pay interest on the entire amount you finance, regardless of how quickly you pay it back.

But with our revolutionary new Simple Interest Loan, interest is calculated daily and only on your outstanding balance. This means you can save significantly if you pre-pay or pay off the loan early.

Let us make your hard-earned money work harder. Ask us about our Simple Interest Loan.
